R.C.No.8194-X3/55 dated 28-5-55.

Sir,

Sub:/ Education - Fisheries - Elementary school at Yermal South in the South Kanara District - Temporary posts of teachers - Continuance and opening of standards IV and V - Proposals - Regarding.

Ref:- This office letter No.8194-X1/55-1 dated 16-5-55 addressed to Government.

In my letter cited I have already applied for sanction of Government to the opening of standards IV and V on the reopening of the Fisheries Elementary School at Yermal South in South Kanara District in June 1956 after the summer vacation. The Asst.Director of Fisheries,Mangalore has stated that he expects a strength of 15 each in classes IV and V and has requested permission for the opening of standards IV and V on 1-6-55. He has further stated that if these classes are not opened on that date, pupils passing away from the III standard will have to seek admission in other schools or discontinue their studies. Pupils who pass out of III standard from other nearby schools will not also be able to join this school.

In the circumstances explained by the Asst.Director of Fisheries,Mangalore, I am permitting him to open standard IV to begin with from 1-6-55 in the above school in anticipation of Government sanction, pending orders of Government on my letter cited. I request that my action may kindly be approved.

and Commerce.

ADDITIONAL DEPUTY SECRETARY TO GOVERNMENT 43224 1 JUN 1955 Fin.

Please see the notes of Finance at p. 2 above. W.r.t their suggestion that Standard IV alone need be opened this year, it is submitted that the anticipated strength of the pupils in the Stds. IV & V next year is 15 each. If Std. V is not opened these 15 pupils will suffer as explained by the D. I & C at p. 7 cg. In the circumstances it is for consideration whether Fin. will be requested to reconsider their views in the matter. There is no extra expenditure involved in opening Std. V also. The recurring expenditure has already been cut by this Deptt from Rs. 700/- proposed by the D. I & C to Rs 500/-. Or does not appear desirable to cut down this item further. Finance may see the case again.

The suggestion of this department on p 2 above was made having regard to the fact that the boys who pass out from the existing III rd Standard will require only the next higher standard viz the IV 15. However in view of what has been stated above by Agri their proposal may be agreed to, and this draft on pp 1-2 above accepted.
